

Coverage that fits *you*, and your budget.

A little every month could save you a lot later.

One-size-fits-all usually fits no one—especially when it comes to health and dental coverage. That is why the Association Health & Dental Plan offers 2 popular choices, to give you the coverage that's right for you, at the price you need. Looking for other options? We have that too.

Out-of-pocket health costs continue to rise in Canada.¹ The Association plan starts where provincial plans stop. It could help save you thousands of dollars on routine and unexpected prescription drugs, dental care, vision care and more.
